

EACCME

European Accreditation Council for Continuing Medical Education

Certificate

The ESCeLearning platform, made available on <http://learn.escardio.org> and organized by the European Society of Cardiology (ESC), is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.

Each medical specialist should claim only those credits that he/she actually spent in the educational activity. The EACCME is an institution of the European Union of Medical Specialists (UEMS). Only those e-learning materials that are displayed on the UEMS-EACCME website have formally been accredited.

Jose Ferrer

has been awarded 1 European CME Credit (ECMEC®s)
for his/her participation in the e-learning activity *EACVI Transthoracic echocardiography (TTE) course*,
chapter on *How to acquire 3D by standard transthoracic echocardiography?*
available on <http://learn.escardio.org/echocardiography/homepage>

Date: 29/09/2022

EACVI Education Chair, Dr. Nina Ajmone Marsan

Through an agreement between the European Union of Medical Specialists (UEMS) and the American Medical Association (AMA), physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities.
